Red, Martin Blass

This is a good quartered well balanced bull with good bone. He is out of our All American Herd Sire Western Revolution that has given to quality cattle at major shows.

Darrell Noll and family have been in the Purebred Polled Shorthorn business since the fall of 1944 when they bought their first purebred females. We had used purebred Polled Shorthorn bulls previously with our grade herd. We have always tried to buy bulls from the leading breeders and feel that we have the best crop of calves this year that we've ever had. We are reluctant to sell these females, but we have more than our pastures will allow.
